Subject: U&O FIP status

Hi there,

I checked in with OAR this morning on the status of the FIP review. Since the FIP is oil and gas, it went to Joe, not to Beverly. Joe signed off on the FIP last week. I am working through the comments we received thus far from Janet. Her comments thus far focus on:

Ex. 5 - Deliberative Process

I am drafting a response to send back to OAR and will continue to work with them on addressing any remaining comments from Janet. Let me know if you have any questions.

Thanks,

Dee
